MEMORANDUM

The Order of December 13, 2002 set a deadline of September 15, 2003, for the filing of motions for judgment on the administrative record.

Counsel for Plaintiff has experienced orthopedic problems during the summer which have reduced his work capacity temporarily, and he is scheduled to leave on September 5 for a week of therapeutic relaxation.

Counsel for both parties are actively working toward a possible settlement of the dispute, and both attorneys concur that there will be no prejudice to either party by an extension until September 30, 2003, of the deadline for the filing of motions, and until October 24 for the filing of responses.

Indeed, that extra time might create the opportunity to bring settlement discussions to fruition.
